- Larrey’s pioneering work on medical “triage,” will be applied to examination of the overriding population sources of contemporary Jew-hatred as revealed by two decades of Anti-Defamation League (ADL) survey data tabulating extreme Antisemitism, worldwide.
- Additional, independent validating data will also be reviewed
- Potential theological drivers of this Antisemitism will be introduced in relation to the October 7, 2023, carnage in southern Israel, and the explosion of Antisemitic expressions and attacks since that event.

“Antisemitism is always a means rather than an end; it is a measure of the contradictions yet to be resolved. It is a mirror for the failings of individuals, social structures, and State systems. Tell me what you accuse Jews of—I’ll tell you what you’re guilty of.”

—Vasily Grossman. [“Life and Fate : A Novel”](#), 1985, (originally published in 1959)

Applying Larrey's Concept of "Triage" to the Examination of Modern Antisemitism (*without regard to cultural relativism, & on the basis of severity*)

...“those dangerously wounded must be attended first entirely without regard to rank or distinction and those less severely wounded must wait until the gravely hurt have been operated and addressed.”

Pioneering Napoleonic era field surgeon Baron Dominique Jean Larrey (1766–1842), and one of his “flying ambulances”

Background 1: The Jihad Carnage of October 7, 2023

- **An unprovoked jihadist attack by Hamas (joined by local Gazan Muslims) in southern Israel, during an ostensible “truce,” which had been planned since 2014, by Hamas leadership**
- **Largest single day casualty toll for Jews since The Holocaust, ~1200 murdered**
- **Targets, disproportionately (i.e., ~70% to 90%), were non-combatant children, women, men, & the elderly**
- **Atrocities committed against these overwhelmingly non-combatant Israelis included mutilation, torture, beheadings, & mass rape, followed by burning, with documentation by the jihadists own videos, passive surveillance videos, surviving eyewitness testimony, & forensic pathology evidence**

ADL Reports Unprecedented Rise in Antisemitic Incidents Post-Oct. 7

<https://www.adl.org/resources/press-release/adl-reports-unprecedented-rise-antisemitic-incidents-post-oct-7>

“**[H]ighest number of incidents during any two-month period since ADL began tracking in 1979**, according to preliminary data released today (12/11/23).”

“Between Oct. 7 and Dec. 7, ADL recorded a total of **2,031 antisemitic incidents**, up from 465 incidents during the same period in 2022, **representing a 337-percent increase year-over-year**. This includes **40 incidents of physical assault**, 337 incidents of vandalism, 749 incidents of verbal or written harassment and 905 rallies including antisemitic rhetoric, expressions of support for terrorism against the state of Israel and/or anti-Zionism. On average, over the 61 days from 10/7/23/ to 12/11/23, Jews in America experienced **nearly 34 antisemitic incidents per day**.”

“**[D]ata includes one fatality** that occurred at an anti-Israel protest in Los Angeles, where a Jewish man was killed after being hit in the head by a pro-Palestinian protester.* There were about **250 antisemitic incidents** that specifically targeted Jewish institutions such as synagogues and campus Hillels. **On college and university campuses, ADL recorded a total of 400 antisemitic incidents, compared to only 33 incidents during the same period in 2022**. Overall, at least **1,411 of the total incidents could be clearly linked to the Israel-Hamas war**.”

[*What ADL failed to note was that the “pro-Palestinian protester,” & accused murderer, was a devout Muslim Computer Science lecturer at California State University-Northridge <https://www.lawofficer.com/muslim-college-professor-charged-death-jewish-man-paul-kessler-killed-during-counter-protest/>; <https://thepostmillennial.com/suspect-in-death-of-jewish-man-at-anti-israel-protest-is-california-computer-science-professor>]

In the discourse surrounding the Israeli-Palestinian conflict, extreme criticisms of Israel (e.g., Israel is an apartheid state, the Israel Defense Forces deliberately target Palestinian civilians), coupled with extreme policy proposals (e.g., boycott of Israeli academics and institutions, divest from companies doing business with Israel), have sparked counterclaims that such criticisms are anti-Semitic (for only Israel is singled out). The research in this article shines a different, statistical light on this question: based on a survey of 500 citizens in each of 10 European countries, the authors ask whether those individuals with extreme anti-Israel views are more likely to be anti-Semitic. **Even after controlling for numerous potentially confounding factors, they find that anti-Israel sentiment consistently predicts the probability that an individual is anti-Semitic, with the likelihood of measured anti-Semitism increasing with the extent of anti-Israel sentiment observed.**

Academic Study During Spring 2024: Disproportionate Extreme Muslim Antisemitism on U.S. Campuses

- During the spring 2024 semester, [survey data](#) were collected from [4,123](#) undergraduate students (including 313 Jewish students) at 60 U.S. colleges and universities (public and private; geographically varied) with sizable Jewish student populations. **The non-Jewish respondents (3810)** were asked whether they agreed or disagreed with nine unquestionably negative statements about Jews and Israel (very similar to the ADL survey questions), & the pattern of their responses was then [evaluated](#).

Conclusions

- **Although "a climate of universal anti-Jewish hatred" did not exist**, Jewish student concerns about antisemitism were justified, and ***"driven by about a third of students who held distinct patterns of beliefs about Jews and Israel."***
- **Specifically, "Identifying as Muslim was significantly associated with being either hostile to Israel or hostile to Jews, even after controlling for other factors." Furthermore, compared to Christians, for example, Muslims were 2.6-fold more likely to harbor the most virulent antisemitism, namely, shared hostility to both Israel and Jews.**

Asking What Animates Such Intense Muslim Jew-Hatred Is Not A new Line of Inquiry: Thought Experiment (I)

Just prior to submitting the final manuscript of the first edition of *The Legacy of Islamic Antisemitism*, I took a brief hiatus and posed the following two questions, based upon my research, to a cadre of academics, independent scholars, theologians, journalists, activists—including a former Israeli Amb to the U.S.—who opine, in writing and speech, about Antisemitism, generally, and/or within the Muslim world, specifically. I asked (via e-mail correspondence),

“In your opinion, would this quote (below) exemplify racial, or at least ethnic Antisemitism? Moreover, would you please hazard a guess as to where and when it was written, based upon the contents?”

Here is the quote:

“Our people [the Muslims] observing thus the occupations of the Jews and the Christians concluded that the religion of the Jews must compare unfavorably as do their professions, and that their unbelief must be the foulest of all, since they are the filthiest of all nations. Why the Christians, ugly as they are, are physically less repulsive than the Jews may be explained by the fact that the Jews, by not intermarrying, have intensified the offensiveness of their features. Exotic elements have not mingled with them; neither have males of alien races had intercourse with their women, nor have their men cohabited with females of a foreign stock. The Jewish race therefore has been denied high mental qualities, sound physique, and superior lactation. The same results obtain when horses, camels, donkeys, and pigeons are inbred.”

Asking What Animates Such Intense Muslim Jew-Hatred Is Not A New Line of Inquiry: Thought Experiment (II)

Not surprisingly, the replies of my correspondents reflected the conventional academic (and journalistic) wisdom which continues to assert Muslim Jew-hatred is only a recent phenomenon that began in the late 19th or early 20th centuries, & is a mere by-product of the advent of the Zionist movement, & the protracted Arab-Israeli conflict over the lands comprising the original 1922 Mandate for historical Palestine (i.e., modern Israel, Jordan, Judea, Samaria, and Gaza). Such thinking also contends that this strain of Jew hatred is a loose amalgam of re-cycled medieval Christian Judeophobic motifs, calumnies from the Czarist Russia "Protocols of the Elders of Zion," & standard European racist, or Fascist/Nazi propaganda. The contemporary pervasiveness of such flawed understanding was again manifested in the responses of my interlocutors

A representative sample of their comments demonstrates this phenomenon:

- ***"Of course it's Antisemitism, of the most vile racist stripe-which leads me to think it likely dates from the 19th century, at the earliest. It also sounds like the sort of thing one would read in the Antisemitic popular literature of the Edwardian period. So, my guess would be somewhere between 1830 and the 1920s."***
- ***"I imagine this was written under the influence of modern theories of racial inferiority."***
- ***"If I had to hazard a guess, I would say this is from a sermon in a Gaza mosque this past Friday..."***
- ***"Could be any mosque in the Muslim world, or Nazi Germany if it weren't for the first line. Definitely racial..."***
- ***"How about current (Saudi) Wahhabi establishment?"***
- ***"I have no idea who said it but I'll hazard a guess just for sport: the Mufti of Jerusalem, circa 1940?"***
- ***"Probably last week from one of the mullahs in the UK."***
- ***"Yes, racist to the point of being Nazi-like. I would say, the Mufti of Jerusalem or some other Islamofascist, or maybe contemporary Wahhabi."***
- ***"...it's the usual (modern) boiler plate from the Middle East."***

Asking What Animates Such Intense Muslim Jew-Hatred Is Not A New Line of Inquiry: Thought Experiment (III)

The quote was written by the 9th century Iraqi Muslim polymath al-Jahiz (d. 869), contained within what was Jahiz's anti-Christian polemic commissioned by Caliph al-Mutawakkil (d. 861)

Caliph al-Mutawakkil understood, & al-Jahiz confirmed, that the mid-9th century Muslim masses harbored much more hostility toward the Jews than the Christians, which was disadvantageous vis-à-vis the threat of powerful bordering Christian kingdoms (Armenian; Byzantine)

al-Jahiz surmised that the primary reason for this Muslim animus toward the Jews was Quran 5:82 (and its classical interpretation in Islam's most authoritative Quranic commentaries*), & secondarily the "rancorous" interaction between Islam's prophet Muhammad, & the indigenous pre-Islamic Jews of Northern Arabia (as described, particularly, in the early traditions of Islam [hadith], & pious Muslim biographies of Muhammad [sira])

** al-Tabari's [d. 923] classical gloss on Quran 5:82: "In my opinion, [the Christians] are not like the Jews who always scheme in order to murder the emissaries & the prophets (2:61; 3:112), & who oppose Allah in his positive & negative commandments (5:41-43), & who corrupt His scripture (2:79; 3:187) which He revealed in His books."*

The basic contention in Al-Jahiz's essay that the Muslims harbored greater enmity towards the Jews than the Christians is supported by the independent observations of another Arab author active during the beginning of the 9th century in Iraq, the Sufi theologian al-Harith al-Muhasibi (d. 857). He maintained that because the Jews stubbornly denied Muhammad's truth, they were *"...in the eyes of the Muslims worse than the Christians."*

From Contemporary Polling Data, to Contemporary Animating Religious Ideology

1988 Hamas Charter/Covenant Features:

- First statement, even before the Preamble, is **Qur'an 3:112**, a sacred Islamic religious justification for the permanent degradation of the Jews (which became a feature of the Sharia, Islamic Law) because of their alleged “transgressions”
- Preamble extols the Muslim Brotherhood, & Hamas’ connection to it
- Article 7 features a canonical tradition of Muhammad, where he claims the Jews must be annihilated to usher in the messianic age
- Article 15 summons the global Muslim community (“umma”) to join Hamas in waging a jihad to destroy Israel as a political entity

Unique 2011 polling data by Stanley Greenberg et al querying agreement with these key elements of articles 7 & 15 in the Hamas Charter. 1,010 Palestinian Muslims in the West Bank & Gaza, were polled, face to face in Arabic.

Results:

- ***“When given a quote from the Hamas Charter about the need for battalions from the Arab & Islamic world to defeat the Jews (Article 15), 80% agreed.”***
- ***“73% agreed with a quote from the charter (and a hadith, or tradition ascribed to the prophet Muhammad, in Article 7) about the need to kill Jews hiding behind stones and trees.”***

1956 Al-Azhar Fatwas

Issued by the Grand Imam & the heads of the 4 schools of Sunni Islamic jurisprudence

Key overlapping extracts:

*“Muslims cannot conclude peace with those Jews who have usurped the territory of Palestine & attacked its people & their property **in any manner which allows the Jews to continue as a state in that sacred Muslim territory. [As] Jews have taken a part of Palestine and there established their non-Islamic government and have also evacuated from that part most of its Muslim inhabitants. . . . Jihad . . . to restore the country to its people . . . is the duty of all Muslims, not just those who can undertake it. And since all Islamic countries constitute the abode of every Muslim, the Jihad is imperative for both the Muslims inhabiting the territory attacked, and Muslims everywhere else because even though some sections have not been attacked directly, the attack nevertheless took place on a part of the Muslim territory which is a legitimate residence for any Muslim... Everyone knows that from the early days of Islam to the present day the Jews have been plotting against Islam and Muslims and the Islamic homeland. They do not propose to be content with the attack they made on Palestine and Al Aqsa Mosque, but they plan for the possession of all Islamic territories from the Nile to the Euphrates.”***

Note: Egypt then occupied Gaza, & Jordan occupied Judea-Samaria (the West Bank), nonetheless, these religious rulings maintained that all of historical Palestine—modern Jordan, Israel, & the disputed territories of Judea & Samaria, as well as Gaza—**having been conquered by jihad, was a permanent possession of the global Muslim umma (community), “fay territory”—booty or spoils—to be governed eternally by Islamic law.**

1968 Al-Azhar Conference in the aftermath of the 1967 Six-Day War debacle

Assembled prominent Muslim theologians not only from the Middle East, but Asia, Africa, & Europe. This seminal, if ugly Conference, marked the formal abandonment of pseudo-secular “Arab Nationalism,” in lieu of jihadism & Islamic Jew-hatred, as guiding ideological rationales for the simmering conflict with Israel.

6 key recurring themes, as summarized late historian, David Littman:

- 1) “Jews are frequently denoted as the ‘Enemies of Allah’”
- 2) “Jews manifest in themselves an historical continuity of evil qualities...as described in the Qur’an”
- 3) “The Jews do not constitute a true people or nation”
- 4) “The State of Israel is the culmination of the historical and cultural depravity of the Jews...It has to be destroyed by a Jihad”
- 5) “The superiority of Islam over all other religions is brandished as a guarantee that the Arabs will ultimately triumph”
- 6) “It is outrageous for the Jews, traditionally kept by Arab Islam in a humiliated, inferior status, and characterized as cowardly, to defeat the Arabs, have their own State, and cause the contraction of the ‘abode of Islam’”

Littman’s analysis of the 935 pp. Conference Proceedings in 1971, concluded Al Azhar was promoting ideas which,

“lead to the urge to liquidate Israel, politicide, & the Jews, genocide. If the evil of the Jews is immutable & permanent, transcending time and circumstances, & impervious to all hopes of reform, there is only one way to cleanse the world of them—by their complete annihilation.”

THE MOST Authoritative Modern Sunni Islamic Cleric Promoted “Sacralized” Islamic Antisemitism, & Global Jihad Against Israel (I)

Al-Azhar University, Sunni Papal equivalent Grand Imam, **Muhammad Tantawi (1996 to d. 2010)**, & arguably the most important modern Sunni Quranic commentator

- As Grand Imam, Tantawi, in April 2002, referred to Israeli Jews, as “*enemies of Allah, descendants of apes and pigs.*” (*Qur’an 5:60; Jews as “apes,” alone, in Qur’an 2:65 & 7:166*)
- That same month, he sanctioned homicide bombing “martyrdom” operations against “*any Israeli, including children, women, and teenagers,*” notwithstanding the gruesome Netanya Passover homicide bomber massacre just beforehand, on March 27, 2002.

THE MOST Authoritative Modern Sunni Islamic Cleric Promoted “Sacralized” Islamic Antisemitism, & Global Jihad Against Israel (II)

From Tantawi’s 1968, “Jews in the Qur’an & Traditions”:

*“(The) Qur’an describes the Jews with their own particular degenerate characteristics, i.e. killing the prophets of Allah (see Qur’an [2:61](#)/[3:112](#)], corrupting His words by putting them in the wrong places ([4:46](#)) , consuming the people’s wealth frivolously ([4:161](#)), refusal to distance themselves from the evil they do ([3:120](#); [5:79](#)), and other ugly characteristics caused by their deep-rooted (lascivious) envy ([2:109](#)) ...only a minority of the Jews keep their word...[A]ll Jews are not the same. The good ones become Muslims (Qur’an [3:113](#)), the bad ones do not...[T]he Jews always remain maleficent deniers...they should desist from their negative denial...some Jews went way overboard in their denying hostility, so gentle persuasion can do no good with them, **so use force with them** and treat them in the way you see as effective **in ridding them of their evil**. One may go so far as to ban their religion, their persons, their wealth, and their villages.”*

From Tantawi’s 1992, “The Broad Interpretation of the Holy Qur’an”:

Tantawi on Qur’an 5:60 (which dubs the Jews “apes and pigs”) condemned in broad terms, **“the corrupt thinking and false assumptions and claims of the Jews...what you [the Jews] claim is even more evil as shown in the penalty that has befallen you as you have been cursed and become estranged from Allah’s mercy and compassion, and what has befallen your ancestors, of whom some were transformed into apes, others into pigs.”**

Tantawi on Qur’an 9:29, timeless declaration of jihad war on Jews (& Christians) refusing to submit to Islamic Law, paying tribute, & being servile: **“The reasons for the order to fight them are: they do not believe in Allah & the Last Day, they do not prohibit what Allah and His Messenger [Muhammad] have prohibited, and they do not adopt the religion of truth (Islam)...The meaning is fight those who have these attributes from among the People of the Scripture until they pay the Jizya willingly and submissively (while) they are humbled, humiliated and subservient to your rule over them...Taking the Jizya (Quranic poll tax) from them...is also a way of contributing to the advancement and prosperity of the Islamic state....It is an acknowledgement on their behalf to submit to the instructions of this state...Those who do not adopt the religion of truth [i.e., Islam] as their religion, deserve humiliation and ignominy in this world. As for the afterlife, their torture would be excruciatingly painful and everlasting.”**

Current (since 2010) Al-Azhar University Grand Imam al-Tayeb

Ahmad al-Tayeb, former mufti of Egypt, Al-Azhar President, & since 2010, Grand Imam of Al-Azhar.

- Sanctioned homicide bombing against all Israeli Jews in 2007
- Claimed in 2014 & 2018 the internecine strife in the Muslim world caused by ISIS & other jihad terror groups, was a Zionist plot
- In 2018 he further insisted the “Zionist entity” will “march on the Kaaba [central stone structure in Islam’s holy mosque in Mecca] & on the Prophet’s mosque [in Medina]. This is on their minds & in their hearts.”
- Nonetheless, he also stated in 2018, “the issue of antisemitism is a lie that continues to deceive nations to this day.”

Tayeb, during 2013 & 2017 Egyptian national television interviews, rationalized permanent Muslim hatred of Jews by riveting on Qur’an 5:82, which epitomized an alleged 1400 years of Muslim “suffering from Jewish and Zionist interference.” From his 2013 interview:

*“A verse in the Qur’an explains the Muslims’ relations with the Jews... This is an historical perspective, which has not changed to this day. See how we suffer today **from global Zionism and Judaism**... Since the inception of Islam 1,400 years ago, we have been suffering from **Jewish and Zionist** interference in Muslim affairs. This is a cause of great distress for the Muslims. The Qur’an said it and history has proven it: **‘You shall find the strongest among men in enmity to the believers to be the Jews’...**”*

Al-Azhar clerics' commentary on the Oct 7, 2023 jihad carnage

- On Oct 7, 2023, Al-Azhar celebrated the brutal jihad carnage of Hamas as *“the resistance efforts of the proud Palestinian people.”*
- By Oct 19, 2023, Al-Azhar issued a formal “fatwa,” or religious edict, declaring that “Zionist settlers,” i.e., ALL Israeli Jews, were legitimate targets of jihad

Al-Azhar International Center for Electronic Fatwa

Al-Azhar clerics' commentary on the Oct 7, 2023 jihad carnage, & its aftermath

- Muhammad Omar Al-Qady, dean of the Faculty for Islamic & Arabic Studies, on his Facebook account, 10/17 and 10/18/23, praised the Hamas attackers and longed for the liquidation of the Jews, and their eternal perdition, referring to them as *“the cursed descendants of apes and pigs (per Qur’an 5:60)... bring perdition upon the cursed (Qur’an 5:78) and treacherous (Jews), the murderers of prophets (Qur’an 2:61, 3:112)...”*
- Abbas Shuman, current inspector general of Al-Azhar’s Fatwa committees, at his Facebook account, 10/7/23, expressed support for Hamas’ terror attack earlier that day, and on October 18, 2023 *“rejoiced”* over *“the demise of the descendants of apes and pigs (Qur’an 5:60).”*
- 11/29/2024, Grand Imam al-Tayeb, representing Al-Azhar, on the 77th anniversary of the 11/29/1947 United Nations Partition Plan, re-affirmed its **REJECTION** of that early iteration of *“The Two-State Solution.”*
- 12/10/24, Grand Imam al-Tayeb, following the collapse of Syria into a jihadist morass, denounced *“Zionists/Zionism”* (whom he routinely conflates with all Jews/Judaism) as a *“cancer”* that must be prevented from *“spread”* into *“the Arab Muslim body...limb by limb”*

Qur'anic Jew-Hatred Explicitly Invoked During a 9/20/24 “Sermon” from Dearborn, Michigan’s Shiite “Islamic House of Wisdom,” & Its Imam Mohammed Ali Elahi

(He invoked Quran **5:82**; **2:61/3:112**; 2:74; 2:100; 2:75; 2:217; 59:14; & **5:78**)

"They brought this chaos in transaction, because they are **'the people strongest in enmity towards the believers.'** (Quran 5:82) 'That is because they rejected the verses of Allah and killed the prophets.' What about this and that? **'They killed the prophets unjustly.'** **'That is because they disobeyed [Allah] and transgressed.'** (Quran 2:61; 3:112) "In another verse, Allah was addressing them, saying: **'Then your heart became hardened after that, being like stones or even harder.'** (Quran 2:74) Their hearts are harder than stone. They have no hearts. They have no humanity. They have no trust. **'Every time they make a covenant, a group of them casts it aside. In fact, most of them do not believe.'** (Quran 2:100) "You cannot trust their promises or their agreements. 'They hear the words of Allah and then distort it.' (Quran 2:75) 'They will not stop fighting you until they turn you back from your faith if they can.' (Quran 2:217) They do everything [so] that you forget about your principles and values, and just give up. That is... "But Allah says: 'They will not fight you all, except within fortified cities or from behind walls.' (Quran 59:14) They are not coming directly. They are behind walls, behind pagers, or you know, talkie-walkie and walkie-talkie and... "Their enmity amongst themselves is severe. You think they are united, but their hearts are divided. That is because they are a people who do not reason.' (Also Quran 59:14) They are among themselves like cats and dogs. They are fighting day and night. "Cursed were those who disbelieved among the Children of Israel by the tongue of David and of Jesus, son of Mary. That was because they disobeyed and transgressed.' (Quran 5:78) ***They were cursed by Jesus, by David, because *they are* and they were from this generation people who stood against love, against justice, against humanity at the time of their own prophets, and they rejected the truth all the time.***"

Mainstream Islamic Jew-Hatred Preached From U.S. Mosques Post-October 7th, Example 2

Imam Umar Mitchell of Masjid Umar Ibn Al-Khattab in Aurora, Colorado **taught a Qur'anic lesson to children at the Colorado Muslims** Community Center, October 22, 2023, outlining for his young audience central indelible, pejorative characteristics of the Jews as depicted in the Qur'an:

- He intoned that the Jews are inveterate liars (Qur'an 2:10; 3:75) who never abide their contracts and covenants (2:61; 3:112; 4:155; 5:13), murdered their prophets (2:61; 3:112; 3:181; 4:155), and even attempted to murder Jesus (actually "Isa," a decidedly non-Christian "Muslim Jesus," 4:157).
- Imam Mitchell also recounted the Qur'anic story of Jewish fishermen who were allegedly transformed by Allah into "literal physical monkeys" for fishing on Saturday (2:65; but elaborated in 7:163, 7:164; 7:165; 7:166; verse 5:60 refers to the Jews as "apes and pigs").
- Imam Mitchell concluded that not all Jews are as despicable as their portrayal in the Qur'an but consistent with Qur'an 3:113, he asserted **only "a couple of them" aren't.**
- Imam Mitchell garnered the following predictable responses from his "successfully" indoctrinated young audience:

*[Mitchell] "So I'm going to ask you: If this is the group of people who broke their rules with Allah, should you trust these people **today**?" [Children]: "No!"*

[Mitchell]: "Does this sound like good worshippers?" [Children]: "No!"

[Mitchell]: "He (Allah) made them into monkeys. Literal physical monkeys. Monkeys. Does this sound like a people you want to do business with?" [Children]: "No!"

Summary Evaluation of Hundreds of U.S. Mosque Sermons After 10/7/23

Mansour Al-Hadj is the Muslim Director of the Middle East Research Institute Project for Reform in the Arab and Muslim World. After studying “hundreds of Friday mosque sermons” across the U.S. after October 7, 2023, he acknowledged,

*... "almost all the sermons seemed to share similar themes in their framing of the attack, amplifying a single narrative which justifies Hamas's attack as a legitimate act that is based on the command of Allah and the teachings of the prophet Muhammad. Therefore, they did not condemn or hold Hamas responsible for killing and abducting civilians, including children and the elderly, and sexually assaulting women. They did not condemn Hamas for starting a war, miscalculating Israel's response, using the Gazans as human shields, or causing the death of thousands of Palestinians and the destruction of large areas of Gaza. Instead, in their sermons, **these preachers and imams focused on highlighting the similarities between Hamas' attack and the wars fought by the prophet and his companions, demonizing Israel, narrating historical antisemitic stories attributed to the prophet Muhammad, founder of Islam, such as the hadith about the stones and the Gharqad Tree, and citing verses from the Qur'an that characterized Jews as corrupt, treacherous, untrustworthy, and the killers of prophets.**"*

Late Grand Imam Tantawi from His 759pp Treatise on the Jews in the Qur'an and Traditions

Chapter Seven

The False Claims of the Jews and The Response of the Noble Qur'an

“When it comes to false claims, untruthful statements and insincere and dishonest assertions, the Jews seem to have a long and unparalleled history, one that is far-reaching and cannot be confirmed by anyone who is equipped with discernment and sound logical judgement. The Noble Qur'an exposed these false claims and declarations that the Jews came up with. It demolished their excuses and shut their mouths, revealing their lies and falsehoods and exposing their vices, depravities and failings.”

THE MOST Authoritative Modern Shiite Islamic Cleric Promoted “Sacralized” Islamic Antisemitism

Shiite Islam (~10% of Muslims): “Theosopher” and pre-eminent modern Shiite Quranic commentator, **Muhammad Tabatabai (d. 1981)**, after whom the Islamic Republic of Iran’s largest specialized social sciences university is named

Tabatabai’s [gloss](#) on Qur’an 5:82:

“...the Jews, they had their own scholars, no doubt; but they behaved proudly, and their arrogance and stubbornness did not let them be prepared for accepting the truth...Jews, although they had the same alternatives as the Christians, and they could retain their religion with payment of the jizya [Qur’anic poll tax, per verse 9:29], yet they continued in their haughtiness, became harder in their bigotry, and turned to double dealing and deception. They broke their covenants, eagerly waited calamities to befall the Muslims and dealt to them the bitterest deal...[T]he enmity of the Jews...toward the divine religion [Islam] and their sustained arrogance and bigotry, have continued exactly in the same manner even after the Prophet... These unchanged characteristics confirm what the Mighty Book [the Qur’an] had indicated.”

Tabatabai’s general description beginning at Qur’an 2:40 to 2:44, & continuing for over a 100 verses thereafter:

“Now begins the rebuking of the Jews that continues for more than a hundred verses. Allah reminds them of the bounties bestowed, of the honors given; contrasting it with their ingratitude and disobedience; showing how at every juncture they paid the favors of Allah with disregard of their covenant, open rebellion against divine commands and even with polytheism. The series reminds them of twelve events of their history — ... all of which shows how they were chosen to receive the especial favors of Allah. But their ingratitude runs parallel to it. They repeatedly broke the covenants made with Allah, committed capital sins, heinous crimes, and shameful deeds; more despicable was their spiritual poverty and moral bankruptcy — in open defiance to their book and total disregard for reason. It was all because their hearts were hardened, their souls lost and their endeavors worthless.”

THE MOST Authoritative Modern Shiite Islamic Cleric Promoted Jihad Against Jews (& Christians)

Tabatabai on Quran 9:29:

“Regarding their characteristics that necessitate fighting them, as mentioned in the beginning of the verse, followed by them giving the jizya to uphold their protection [i.e., from renewal of the jihad war against them!], it informs [us] that the purpose of humiliating them is their submission to an Islamic lifestyle and to a righteous religious government within an Islamic society. They shall not be equal to Muslims nor stand out against with them as an independent identity, free to express anything their souls feel like, nor to publicize the doctrines and activities invented by their lunacies that corrupt human societies. This all relates to them handing over money from their hands out of a contemptible position. So the meaning of the verse (and Allah knows best) is: Fight the People of the Book who do not [truly] believe in Allah or in the Last Day, with a faith that is acceptable and uncorrupted from being proper, and who do not forbid what is forbidden in Islam namely those [crimes] that, when committed, corrupt human society, and who do not abide by a religion that conforms with the divine creation. Fight them and persist in fighting them until they are humbled among you, and submit to your rule.”

Genocidal Jew-Hate Openly Preached at a Kansas City Mosque, 11/15/24

In his November 15, 2024 Friday sermon at the Kansas City Islamic Center (uploaded to its YouTube channel) Imam Muhammad Tarife said that the Islamic nation is the "best nation"(Quran 3:110) and that it was brought to the world in order to encourage others to do good. However, to conclude his sermon, he begged Allah (in Arabic):

"Oh, Allah, annihilate the criminal Zionists – those of whom are Zionists and those who are not. Oh, Allah, count them, kill them one by one, and do not spare a single one of them, for they are no match for You. Oh, Allah, allow us torment them with our own hands, humiliate them, grant us victory over them, and heal the hearts of the believers (i.e., Muslims)."

Mainstream Islamic Jew-Hatred Preached From U.S. Mosques, Post-October 7th

Imam Alhagie Jallow was born in Gambia (1987), & completed his memorization of the Qur'an while studying in Senegal. Later he studied at the Islamic University of Imam Muhammad bin Saud in Riyadh, Saudi Arabia.

“During his seven years of study in Riyadh, Alhagie graduated with a degree in Sharia and learned from some of the foremost Islamic scholars of our age including Sheikh Sadhan, Sheikh Abdullah ibn Jibreen, & Sheikh Saalih ibn Fawzaan al Fawzaan. **Alhagie became the Imam of the Masjid Us-Sunnah shortly after his visit to Madison in 2009.** More than just leading prayers, **he also conducts lectures, organizes Islamic education classes for children, and meets with non-Muslims to help grow an understanding of the Islamic religion.** Focusing his lectures mainly on authentic Hadith and the Qur'an, he spends time explaining the different schools of teachings in regards to any subject.”

From his sermon 10/13/23, in Madison:

"The only thing that can bring glory to this Islamic nation is the Jihad, which is mentioned in the Quran and the hadiths of the Prophet Muhammad. The only thing that can bring honor and glory to this nation is Jihad... Oh Jews, you unjust, criminal, corrupt oppressors – stop! You will all most definitely be killed. The Jews, the aggressors, the evil... You describe them, what they do. By Allah, all of them [Jews] will be killed by Muslims. They all will be executed by Muslims. They will all be killed, this is a divine promise that will inevitably be fulfilled. This is a promise from Allah and it is going to happen. They will all be killed. They will all be killed, and on that day, the believers will rejoice in Allah's victory."

Mainstream Islamic Jew-Hatred Preached From U.S. Mosques, Post-October 7th

From a Friday sermon delivered by Ghaith Arodaki an entrepreneur and a recent graduate of San Jose State University December 29, 2023, at the Islamic Center of Frisco, Texas:

“Every single day, we recite the Al-Fatiha (opening) chapter of the Quran 5X a day,* and at the end, we recite: 'Guide us along the Straight Path, the Path of those You have blessed—not those who have incurred Your wrath, or those who were misguided.' The interpreters explained this verse to mean three categories of people: 'Those who You have blessed,' and they said it means the Muslims. **'Those who have incurred Your wrath.' 'Those that You have cursed,' they said it [is] meant to be the Jews.**** 'Those who were misguided,' and it was said to be the Christians.”**

*Up to 17X/day accounting for subdivisions of the 5 prayer sessions;

****Islam’s prophet Muhammad in a canonical tradition (at-Tirmidhi, Vol. 5, Book 44, Hadith 2954) & 90% of classical & modern authoritative Qur’anic commentaries, Sunni & Shiite alike, provide this interpretation**

From, “***The Qur’an: An Encyclopedia***,” a modern compendium of analyses written by 43 Muslim & non-Muslim mainstream academic experts, edited by Oliver Leaman, & published by Routledge, New York, 2006.

“The Prophet [Muhammad] interpreted those who incurred God’s wrath as the Jews and the misguided as the Christians. The Jews, we are told killed many of their prophets and through their character and materialistic tendencies [usurious 2:275, 4:161; greedy/hedonistic 2:96; envious 2:109; hard-hearted 2:74; liars 2:78] have contributed much to moral corruption, social upheaval and sedition in the world [Koran 5:32–33; 5:64] ...[T]hey were readily misled and incurred both God’s wrath and ignominy [2:61; 2:90; 3:112]. As for the Christians...over time they succumbed to the influence of those who had already deviated from the chosen path (5:77).”

Omar Suleiman, U.S. Muslim “Thought Leader” & (2019) Congressional Invocation Imam

Imam Omar Suleiman gave a U.S. Congressional invocation May 9, 2019, & has participated in high profile “interfaith dialogue” events including Thursday March 5, 2020, at North Carolina State University, with J.D. Greear of the Southern Baptist Convention. Both the Democrats who invited him to “prayerfully” address Congress, & Mr. Greear, were willfully blind to Suleiman’s open espousal of Sharia supremacism, & traditionalist Islamic Jew-hatred.

Suleiman has defended Sharia punishments for adultery [stoning] & theft [amputation], advocated for both “societal Sharia” & a Caliphate, so that Sharia could “be applied in totality,” & even defended Muslim concubinage and sex-slavery.

He is also a virulent Muslim Jew-hater, who proudly lauds Islam’s Antisemitic canon, in particular, the Qur’anic epithet (Qur’an 5:60) for Jews as “apes and pigs,” elaborated at length during a 5-part, nearly 6-hour 2012 lecture series, “**Lost Chronicles of Bani Israel**,” still available online. The usage, “**brothers of apes and pigs,**”^{*} Suleiman maintains is appropriate for most Jews, given their inveterate Qur’anic predilection for deceit, endeavoring “to take Allah for a fool.”

(^{*}‘brothers of apes/monkeys’ is the usage Islam’s prophet invoked while besieging the Jewish tribe Banu Qurayza)

“The outbreak of overt Jew hatred on American campuses directly results from our vast importing of Arab and other Muslim foreign and illegal students... We have heard about the 30-plus Harvard student groups who signed their support for ISIS-Hamas... Count the number of (those) pro-Hamas groups with the name ‘Muslim’ or ‘Arab’ in it.”
